Foreword

These church minutes are not much per se. It is a membership record along with some marriage and baptism records.

Methodist of the Old Whynot area attended church at the Pleasant Grove Methodist Church which was located three to four miles east of the present day Cokers Chapel Methodist Church.

In about 1868 some of the members established the Cokers Chapel Methodist Church at its present location. This first church was constructed of logs. Those members remaining at Pleasant Grove Methodist at that time (1868) or later established the Whynot Methodist Church at old Whynot. This church remained in operation until it was consolidated with Cokers Chapel about 1933.

A copy of these minutes are on file in the Lauderdale County Department of Archives and History, Inc.

The following is taken from the existing records of this church. The original of these records is in the hand of Mrs. William Linton.
