This alphabetical version of the 1890 Enumeration of Children was initially transcribed by Lynette Long, and has been reformatted and alphabetized by Marleen Van Horne. There are 1922 households represented in this census. If you do not find you ancestors here, it may be that the records for all precincts have not survived, or that your ancestors were missed by the enumerator.

Pages 82, 176 and 186 are blank. Page 184 is a page of totals.
