Welcome to Kemper County, Mississippi

Kemper County Historical Sketch

*Kemper County was created by an act of the Mississippi Legislature on Dec 31, 1833, and was formed out of that portion of the Choctaw Cession under the Dancing Rabbit Creek Treaty.

The county was named for the Kemper brothers - Ruben, Nathan and Samuel - who were Virginia patriots who moved to Woodville, Mississippi Territory, early in the 19th century to fight the Indians and Spanish, also fought with General Andrew Jackson in the Battle of New Orleans.

The county seat, DeKalb, was named for Baron Johann DeKalb, a German citizen who enlisted in the French Army at an early age and came to America with the French General Lafayette to help in the Revolutionary war, and was killed in the Battle of Camden and buried in South Carolina.

The first inhabitants were the Choctaw, Chickasaw, Alabama and Muscogee Indians who all had various traditions of a migration from the far west. Nearly all of these traditions centered around the large mound that is only a "stone's throw" from the northwest corner of Kemper County, and in the edge of Winston County. This mound was named Nanih Waiya (bending hill) by the Indians.

No records could be found as to who were the oldest settlers in the county. Family records indicate that a Dr. Young came to southwest Kemper County around 1810 and built a home that is now owned and occupied by Mrs. Christine Webb McLauren Mosley. This home was sold to a Dr. Ramsey about 1820. He is credited with building a water mill on Pawtulfaw Creek that was finally owned by Mr. A. C. Keeton.

FORE-WORD

It is my sincere hope that enough historical information has been recorded to justify the time that went into the effort to copy some of the impossible writings of the enumerator. The most discouraging part was sometimes for maybe a half page would be in perfect writing, each letter distinct, then he would laps into a jumble of letters impossible to determine what he intended to write. Most of the sur-names were misspelled. All the given names was spelled in a variety of ways. I made no effort to correct. If the letters were clear I copied as they were. If I had to make a judgement I followed the name by a (?) The Townships and Ranges were not in Sequence. In some places he would change from the given name to the sur-name right in the middle of the page.

Part of some of the pages at the bottom was missing due to age and deterioration of the paper. Where this occurred I indicated by a common m.

To be honest, I was ashamed that such a poor record came from Kemper County. Especially when there was no excuse for it.

152 118 TOTAL NO. OF WHITE CHILDREN IN TOWNSHIP 12 RANGE 14

PAGE 50 BLANK

ENUMERATION OF EDUCABLE CHILDREN IN TOWNSHIP 12 RANGE 14 RACE BLACK SHOULD START ON PAGE 51, BUT DOES NOT. INSTEAD IT STARTS ON PAGE 103. NO NOTATION OR EXPLANATION. THIS CAUSES THE TOWNSHIP AND RANGE TO BE OUT OF ORDER. I WILL MOVE THIS UP TO THE PROPER PLACE FOR THE TOWNSHIP AND RANGE, BUT THE PAGES WILL BE OUT OF ORDER. IT IS APPARENT THE PERSON MAKING THIS SURVEY COULD NOT WRITE LEGIBLE OR SPELL COMMON NAMES. THIS MAKES IT DIFFICULT TO ACCURATELY COPY. GETTING THE SEGMENTS OUT OF ORDER MAKES RESEARCH COMPLICATED AT BEST.

21. 32 TOTAL NO. OF BLACK CHILDREN IN

TOWNSHIP 11 RANGE 18 TOWN OF SCOOPA

On pages 203,204,205,206 and 207 appears a list of black educable children,their parents or guardians in Township 11 Range 18, which is in sequence with the other Townships and Ranges.(Refer to the map in the beginning of this document) Beginning with Township 9 Range 14 through Township 12 Range 19 I have kept them in sequence. In additional a list of white and black children within the Town of Scooba, which falls within Township 11 Range 18. Then one must assume this is in additional to the ones already listed, white and black in Township 11Range 18. After completing the list of the Town of Scooba, both white and black, that should have completed the numeration of educable children in Kemper County.

I find another list of parents guardians and black children in Township 11 Range 18 on Pages 244,245,246,247 and 248, with no explanation as to an additional list. By observation I can tell there are some duplication to the list on pages 203 through 207 of Township 11 Range 18 that is in the proper sequence.

I have made the decision to record these pages even though they may be some duplication.
