Remained

I had a sister name
ed America who ne-
married with my
mother in court for
as far as I know
we were the only
children -
she was born in
The United States -

account pointed by
me -
There was some
sort of an exchange
went between my
mother & father
though I have been
told by friends in
New York that it
was only on account
of my mother being
unable to learn to
speak the English
language & that
therefore she did
not return with
us in 1812 - he had
in 1810 returned to
Europe when we
returned with
me -

Of my mother's
history I am afraid
I know very little!
I only know that
her maiden name
was Hoar, I do
not even know
her native city
My mother's father
was married some
time between 1800
& 1805 & I do not
know whether I
was born first
child or not, I have
been told that it
was of 1 year
my father & mother
made the way
across the lake
