To: All my assorted Molpus, Kimbrell, Moore and other kin.
From: B.O'Dell Molpus, Jr. D.D.S.

As some of you who I have called two or three times are aware I started working on my family genealogy several months ago. It has been a real experience and I have contacted a lot of nice people who have worked on this project and they have been most willing to share their findings.

We are all indebted to Grady Molpus and Seavy Brinson for their research and books.

The most definitive book was written and published by Muriel Ward Malphurs and is titled "History of the Molpus Family of Va., N.C., S.C., Miss. and Ala."

The Molpus [Malpas, Malpass, Malpress, Malphers and other assorted spellings] Family in America as she lays it out started with three brothers at the James River in Virginia in the late 16 and early 17 hundreds. Working from Mississippi data I traced the family back by direct line to N.C. and then to Va. The three brothers were Richard, James and John. Our line goes back to John and possibly to another Richard maybe their father who came over later. The IGI entry on this Richard lists his birthplace as Switzerland. I am working on my mothers Richard family in Switzerland and also looking for Molpuses.

The original John [1] moved to North Carolina and the family moved further south finally settling on Widow Moores Creek west of Wilmington. John [2] fought in the Seminole Indian War and John [3] fought in the Revolutionary War. The battle of Moores creek was one of the first battles of the war. John [3] was the father of William Francis [4] and the grandfather of Samuel James [5] my great-great grandfather.

At this time the Moore family enters the picture. Samuel James [5] married Soul Moore and had 7 children. Soul died in May 1843 at the same time Caleb Murriss [6], my great grandfather, was born. In December of 1843 Samuel James married Jerusha [Gerusha] Moore and the family moved to Mississippi. Caleb Murriss [6] married Rebecca Ann Moore. Caleb and Rebecca eventually owned or farmed the Moore family farm in Neshoba County. Ruben Moore of Philadelphia, Miss. has done work on the Moore family and is sending copies to me. I hope to be able to sort out the Molpus-Moore connection.

From Samuel James down most of you know the general family history. The information I have on the daughters is rather limited and I hope some of you can fill it in.

By chance I discovered information on John Precilla, the fourth child of Samuel and Soul. He married Delethia Ritchie, sister of the wife of his younger brother Joel Washington, and they had a son Montie Percilla. His parents died and he was raised by Joel and Julia. There was no further record of Montie.

Several years ago I was buying parts at Hudiberg Chevrolet in Fort Worth and paid by check. The man looked at the check and remarked that his grandmothers maiden name was Molpus. I contacted her and found Montie's family. Billy R.M. my dad and I went to their family reunion in Gainesville that summer and met most of them. Montie's son Morris supplied me with their family history. Montie left Mississippi and came to Texas, possibly on a horse buying trip with his uncle Joel. He married, raised a family and as far as his family knows never contacted the Mississippi relatives.

It is now May 7 and at 11:30 P.M. I have finally completed the first draft. I am sending you each a complete printout of the family lineage and also a family decent chart of all of Samuel, Soul and Jerusha's children. There are a lot of blank spots and probably mistakes by the ton. I would like for you to fill in the blanks and correct any mistakes. If you have additions or corrections please copy the sheet, make the changes, and send them on. I will put it all in the infernal machine and send out updates. If you know others who are interested or might have other info please copy and pass these on or send me their names and addresses.

Information on the Kimbrell and Small family is in short supply. It is of no interest to some of you but you get it regardless. As you will see the tie in with the Molpus, Moore and Kimbrell is interesting.

Delete previous paragraph except for historical value? It is now 11 P.M. on May 31 and I just put person 392 into this beast. Edith Grace Hegman gets the honor. I have so many sheets of information that the only way I am ever going to get it straight is to send it on to you and let you edit and annotate and send it back. I hope you will take the time and effort. It has been an experience and with your help we can get it all correct. There is much contradictory data. I won't get into all that now.

Please forgive the way this print out looks. You all are intelligent enough to look other places if only an initial appears. I was being smart and put my own code in the name slot. My son tells me now that's not the way it goes in a computer. I'll revamp it later. Also I use the Soundex abbreviation system which drops vowels and double consonants.

The present mailing consists of 71 sheets plus this letter. As you know the cost of copying and mailing adds up so if anyone wants to help with the expense I will accept it.

Jane and I, Caleb and Lucy and R.M. are coming to Mississippi in June. We will be in Jackson on Friday, June 4 and then go to Meridian and Philadelphia for Saturday, Sunday and Monday.

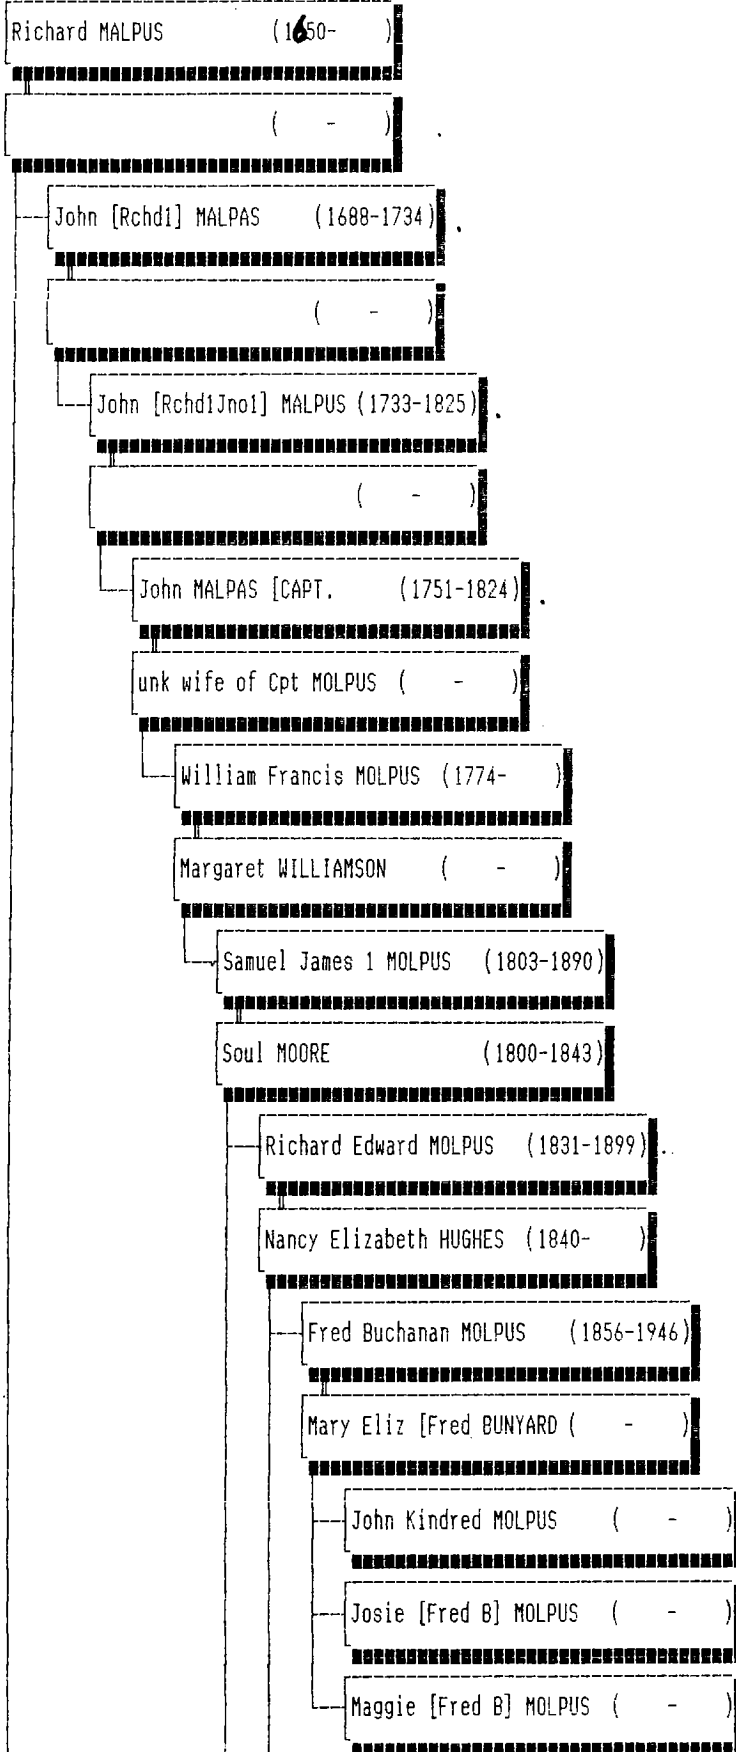

Even at midnight I will have to say that this has been a most interesting and exciting endeavor. I have found some most interesting facts and talked to a lot of nice people and I thank you all. I never knew there were so many Molpuses. I have just started in earnest on the Kimbrell, Moore, and Small lines as well as my mothers Richard family in Switzerland. It would be something if I found a connection of the Molpus and Richard families in the 1600 hundreds.

It is now 11:30 on June 1. Goodnight Mrs. Calabash wherever you are.

Thank You All.

DOCUMENTATION

MARRIAGE NOTES

HUSBAND - Caleb Murriss MOLPUS

Caleb and Nancy Rebecca Moore supposedly lived with or near her family and when her parents died either inherited or bought the Moore farm on the Neshoba\Lauderdale Ct. line. The Molpus Cemetary is located there. Ruben Moore of Philidelphia located the cemetary and is sending me his information. It will be interesting since my great grandmother and great great grandmother were both Moores.
