EDITOR'S NOTES

FAMILY DATA

This is the first issue of 1995. Happy new year to all.

SUBSCRIBERS: In my lists of subscribers in past issues, I inadvertently omitted the following (sorry):

-Fran Pilgrim 2809 West Vine, Ft. Collins, CO 80521-1452
-Georgia Pilgrim RR 1, Box 188A, Smithfield, IL 61477-9602

A big welcome to the following new subscribers:

-Paul Marchand, 564 Courtenay Ave, Ottawa, Ontario, Canada
K2A 3B3

-Kathleen Much, 128 Hillside Ave, Menlo Park, CA 94025

RENEWALS: A big "thank you" to the following for renewing subscriptions, early: Eugene Perry, Ted Overbagh, Clifford Merck, Connie Pilgrim, Patricia Pilgrim, Ruby Gordon, & State Historical Society of Wisconsin. It really helps to know how big the base of subscribers is before starting a new year. Thanks, again, for the vote of confidence.

CONTRIBUTORS: Another "thank you" to the following who contributed data for this issue: Ted Overbagh, Paul Marchand and Kathleen Much.

QUERIES: Paul Marchand, 564 Courtenay Ave, Ottawa, Ontario, Canada K2A 3B3, is seeking the ancestors of Robert A. PILGRIM b. ca. 1827 England, who came to Hamilton, Ontario in the late 1840's. He m. 1) bef. 1850 Annie Jane Brydges, who d. 12 Mar 1874 in Hamilton. He m. 2) Ann Johnson (1849-1941) of the USA. Robert died in St. Paul, MN ca. 31 Jul 1882 and is buried in Hamilton. (Postage is \$.40 for 1st half oz. & \$.23/ added oz. after that.)

Karen L. Woody, Rt. 1, Box 187-E, Bluefield, WV 24701-9801, seeks the ancestors of Mary PILGRIM b. England, who m. Walter Brown in London and immigrated to Wilkes Co, NC. Their daughter, Eleanor Brown b. 1772 m. John Absher, Sr. (aft. 1790 in NC?)

Kathleen Much, 128 Hillside Ave, Menlo Park, CA 94025, is seeking descendants of Amos Pilgrim (Jr?), who was in the Revolution from VA and married Rebecca Vandegrift and had children: Mary b. 1795, Lee b. 1797 and Christin b. 1805. Was this Amos the same one who married Elizabeth before 1770 and had a daughter, Nancy b. 1770 SC and who m. Samuel Woodruff? She would also like to correspond with other descendants of Nancy and Samuel.

MISSING LINKS RESEARCHERS: Jim & Lois Thornton, PO Box 0853, Farwell, Texas, 79325-0853, have recently started a non-profit, free database for researching certain surnames. Their computer file has over 5,000 individuals with the surnames of Thornton, Hill, Faulkner, Truelock, Curry, Lee, Hogue, Myrick, Carlile, Kelly and many others. Send them a list of surnames and they will tell you if any are in their file. (And, they are very friendly.)

HISTORY PHOTOS ONLINE: In November, the Library of Congress started a new project to improve public access to their unique collection. The project, called the National Digital Library, put 210,000 pictures, sound and text files from their collection of American History into Internet. Included in this first phase are some of Mathew Brady's famous Civil War photos and other historic pictures and films whose copyrights have expired. By the year, 2000, they plan to have up to 5 million more entries in the new file. The digital collection can be found on the Internet's World Wide Web at <http://lcweb.loc.gov>. (NEW SCIENTIST, 29 October 1994)

DID YOU KNOW? Present-day TN was part of NC until 1790. Present-day KY was part of VA until 1792. (World Wide West Quest)

L.A. PUBLIC LIBRARY CATALOG ON INTERNET: The L.A. Public Library has one of the largest collections of genealogy books in the U.S. especially old Genealogies and County Histories from every State. If you are planning a trip to California, this is one of several libraries you should visit. The library catalog can now be reached by TELNET or HYTELNET. From TELNET, at the Unix % prompt, type: TELNET PAC.CARL.ORG (enter) or type: TELNET 192.54.81.128 (enter). *You will receive a return message: WELCOME TO CSI.CARL.ORG. Type: PAC (enter). The next message asks for a terminal identifier. Most telecommunications software uses a VT100 emulation. If yours does, select 5 on the menu. Otherwise, use the indicated terminal or 8 (hardcopy). Press "enter" to start the program. At the next menu, CARL CORPORATION OFFERS ACCESS, select 4, OTHER LIBRARY SYSTEMS (enter). At the OTHER LIBRARY SYSTEMS menu, select 43, CARL CORPORATION NETWORK LIBRARIES WESTERN U.S. (menu 2). At the LIBRARY CATALOGS- WESTERN UNITED STATES (menu 2), select 131, LOS ANGELES PUBLIC LIBRARY (enter).

Follow the screen instructions to find the genealogy books. To exit the system, type: //EXIT to return to the Unix % prompt.

From HYTELNET (if your Internet service has it), successively select: LIBRARY CATALOGS, then THE AMERICAS, then UNITED STATES, then CONSORTIA, then COLORADO ALLIANCE OF RESEARCH LIBRARIES, then (enter). HYTELNET will request permission to perform a TELNET operation. Type: Y to proceed. Follow the remaining TELNET instructions, above * to access the library catalog. (OCCGS Newsletter, December 1994)

RELEASE OF WAR RECORDS: President Clinton signed an Executive Order on November 10 authorizing the National Archives to release 43 million pages of war records. The documents include nearly all the classified holdings dating before World War II and nearly 23 million pages relating to the Vietnam War, Naval operating forces and records of the headquarters of the U.S. Air Force. All these records, except for those protected by the privacy laws, are now available in 3 sites, only: The main National Archives Building in Washington, DC; a second (existing) building in Suitland, MD and in a new building in College Park, MD. No index is available.

SAY WHAT?? To a foreigner, a Yankee is an American. To a U.S. Southerner, a Yankee is a Northerner. To a Northerner, a Yankee lives in New England. To a New Englander, a Yankee is someone from Vermont. To a Vermonter, a Yankee is someone who still uses an outhouse. (San Diego G.S.)

KENTUCKY RESEARCH: The KY Dept. for Libraries & Archives' Archival Services Branch now requires an \$8 prepaid, non-refundable research fee for all requests from out of State. Requests for general information and for Genealogical Reference Request Forms are free. (The Family Tree)

MORE FREE QUERIES: Donna Sutton, Rt.1, Box 15-A, Gibsland, LA, 71028, writes a column, "GENEALOGY" for beginners and those researching Bienville Parish, LA. Queries are free.(The Family Tree)

1930-1990 CENSUS RESEARCH: A branch of the Bureau of the Census, called AGE, for a \$25 fee, will search any 2 census records for your name or any ancestor that you can provide proof of death. Form BC-600, required for the search, is available from AGE Search, PO Box 1545, Jeffersonville, IN 47131.(The Family Tree)

ANSON CO. NC HERITAGE BOOK: If you had ancestors in Anson Co. NC, you may want to submit a family genealogy for publication in the upcoming Anson Co. NC Heritage Book (\$46.50, date TBD.) Any story submitted must be double spaced. If your ancestor was there before 1870, type "Pioneer Story" at the top of your 1,000 word limit input. If after 1870, the limit is 500 words. You will be charged \$0.10 per word over the limit. Send your input or request a free brochure from the Anson Co. Heritage Book Committee, PO Box 417, Wadesboro, NC 28170. (The Choctaw Advocate)

It is just an educated guess that Martin is a son of Thomas, Sr. In 1800
Thos, Sr. had 2 sons under 10, one was Thomas, Jr, and I think the other was
Martin due to proximity .

PILGRIMS' PROGRESS

A PUBLICATION FOR THE SURNAME PILGRIM

PUBLISHED BY

ROD BUSH

5892 KAREN AVE.

CYPRESS, CA 90630

SUBSCRIPTIONS: \$ 12.00 / YEAR

VOLUME III FALL QUARTER 1995 NUMBER 4

EDITOR'S NOTES

This is the last issue of 1995. It is hard to believe that it's time to ask for money, again. I will continue to hold the cost for subscriptions at \$12.00 for 1996. (Checks payable to Rod Bush) The feedback has been very good from several of you, but I would still like to hear from others. If I am not meeting your needs, please suggest something that you would like to add. If any of you normally write a Christmas letter to relatives and friends (or plan to start this year), please send me a copy. I will include all of, or major excerpts from, your letters in the January 15th 1996 issue, as space allows.

I am proud to announce the latest Pilgrim descendant in my family. Nathan Alexander Bush was born on September 11, 1995, to my son, Steve and his wife, Monica in Fullerton, CA.

I have included some new public record data of deceased PILGRIMS, from all States, giving their birth and death dates and States. Use caution when using this data for several reasons: 1) Since it was documented after the person died, it is, at best, a secondary source. Birth dates and places are the most likely to be in error; 2) It is mixed race data with no ethnic identification; 3) The names of females are their names at death. They may be single or married, thus it probably is not their maiden name; Death places are often omitted. If the death date is during a War, check elsewhere for possible Military records.

WELCH AMERICAN HISTORICAL SOCIETY: An organization formed to strengthen links between Wales and America is seeking data on Welch people who emigrated to America after 1750. This society has gathered information about many people who left Gwenedd for America. If you have a Welch family, contact the society secretary, Arthur Williams at Brynarlais, Y Fron, Nefyn, Near Pwllheli - 01758 721449. (Questing Heirs G. S.)

DID YOU KNOW? Enumerators of the 1850 Census wrote "IA" for Indiana and wrote out Iowa in full. BURKE'S PEERAGE has gone bankrupt and the rights to the names have been purchased by Halbert's. (WAGS Newsletter)

FREE BROCHURE: Banner Blue Software, which produces the line of **FAMILY ARCHIVE CDs** is offering a free brochure on the legal ins and outs of using genealogy indexes and tips on how to document sources. Call them at (510)794-6850.

KNOW YOUR SOURCES: Primary sources of genealogy data are first-hand accounts of events, birth certificates, diaries, court records, photographs and recordings. Secondary sources include printed indexes, linked databases, pedigree charts, periodicals, published records, etc. Secondary sources consolidate and filter the original data and can be only as accurate as the primary sources used and the care on transposing. (Banner Blue brochure)

NOTES FROM THE EDITOR

This is the third issue of 1995 and time to plan 1996. My thought is that I am repeating the Decendancy Chart for Amos Franklin Pilgrim, Sr. to show the names that have been added in the last 3 years (A total of 807 descendants plus 374 spouses.) I will continue to include helps and news items of interest to all genealogists, but reduce the total pages per issue to 18 or 20. That leaves a lot of space for input from subscribers, so please help me out. The **emphasis** is being shifted from a **surname** publication to a **family** one. What this means is those of us who are related to each other as descendants of Amos, Sr, etc. need to plan some activities and share some family information, in addition to the basic genealogy. As a beginning, if any of you normally write a Christmas letter to relatives and friends (or plan to start this year), please send me a copy. I will include all of, or major excerpts from, your letters in the January 15th 1996 issue.

NEW SUBSCRIBERS: Frank Harrison. P.O. Box 787. Gautier, MS 39553-0787; Ms. Kapi Kizer, 2276 Hickory St, San Diego, CA 92103-1154; Paul Marchand, 564 Courtney Ave, Ottawa, Canada K2A 3B3;

DATA TO SHARE: Allen Francis "Frank" Harrison, P.O. Box 787, Gautier, MS 39553-0787, is a new Pilgrim researcher who has a data base of over 7,000 names on the surnames of BROOKS, BEEMAN, MUNN and HARRISON from SC, AL and MS. He will gladly share data.

CONFEDERATE STATES RESEARCHER: The new editor and publisher of the **CONFEDERATE STATES RESEARCHER** is Jim Thornton previously of **MISSING LINKS RESEARCHERS**. This Quarterly is the biggest bargain of the year at \$12.50. If you have ancestors in any of the 11 Confederate States, this is a "must buy" publication. Write Jim at P.O. Drawer 0686, Farwell, TX 79325-0686, (806) 481-3597.

OREGON TRAIL PROJECT: The Oregon Trail Project is issuing special certificates to anyone whose ancestors came West via the Oregon Trail between 1811 and 1911. For more information, write the Oregon Trail Project, 4620 Overland Rd. #206, Boise, ID 83705. Send SASE.

ARIZONA PIONEERS: If you have an ancestor who was in AZ before 14 February 1912, you can apply for a Children of Arizona Pioneers Certificate. For application write Joella Check, Pioneer Certification, HC29, Box 359, Prescott, AZ 86301. Send SASE.

VALLEY FORGE SOLDIERS: If you have an ancestor who was in Washington's Army at Valley Forge, you are eligible to join the Society of the Descendants of Washington's Army at Valley Forge. For information write them at PO Box 915m, Valley Forge, PA 19482-0915.

CONFEDERATE RECORDS: More than 5700 cubic feet of Confederate Records, including muster rolls, payrolls, hospital records and correspondence are still in danger. They are stored in a non-climate controlled area in the National Archives. Write Congress!

FIRST FAMILIES OF TEXAS: On February 19, 1996, the State of Texas will celebrate its 150th anniversary of statehood. The Texas State Genealogical Society is offering a commemorative First Families of Texas Certificate to anyone descended from a Texas resident on or before February 19, 1846. The Society will publish a book of all the qualifying applications. Send a legal size SASE with 55 cents postage to: First Families of Texas Certificate, c/o Wanda L. Donaldson, 3219 Meadow Oaks Dr, Temple, TX 76502-1752 for info.

SAVE TEXAS CEMETERIES: Save Texas Cemeteries, an organization founded in November 1994, is dedicated to gaining legislation at the State level to give local governments direction and funding for the maintenance and preservation of cemeteries in TX. The group held its first general meeting in April 1995 in conjunction with the TX Historical Commission's annual meeting. (FGS FORUM, Spr.'95)

MISSOURI- ABANDONED CEMETERY CARE ASSOCIATION: The Livingston Co, MO Abandoned Cemetery Care Association (ACCA) has begun another year of mowing and clearing all known abandoned cemeteries in that County. For information about the names and locations of these cemeteries, write ACCA, PO Box 114, Chillicothe, MO 64601.

LOST SC DOCUMENTS FOUND: More than 80 historic SC Revolutionary War documents, missing for more than 100 years, were recently found in a Columbia, SC antique shop and returned to the State Archives. The records are called *indents*, short for "indentures", and were cut out of a record book with an irregular, scalloped shaped pattern. This pattern created a stub with unique indentations that could be matched, later, to verify authenticity. Indents were used to by the State to pay private citizens for goods and services provided during the Revolution. These documents are being sorted, cataloged, chemically treated, copied and made available to researchers.

CENSUS AND MILITARY DATA MAY BE LOST: A part of the price we have paid for our country's eager embrace of more and more powerful computers is the loss of much of the data from the past 30 years. This data is stranded on computer tape from primitive or discarded systems, unintelligible, or soon to be so. The most extensive record of Americans who served in World War II exists only in 1,600 reels of microfilm of computer punch cards. Census data from 1960 exists only on thousands of reels of old tape. Some may have decomposed, others may fall apart if run through the balky equipment which survives from that era. Since 1960, the Census Bureau has changed computers and tape drives 5 times. There are 4,000 tapes that were not copied. The tapes include parts of the 1960, 1970 and 1980 Censuses. (WAGS Newsletter, May 1995)

LIBRARY OF CONGRESS CATALOG ON INTERNET: The catalog of the Library of Congress, called the Library of Congress Information System (LOCUS) is available through Internet, Monday through Friday 6:30 A.M. until 9:30 P.M. (EST), Saturdays 8 A.M. until 5 P.M. and Sundays 1 P.M. until 5 P.M. (The Odom Gen. Library, "Family Tree")

ALABAMA

MARRIAGE, DEATH, AND LEGAL NOTICES FROM EARLY ALABAMA NEWSPAPERS, 1818-1880. Pauline Jones Gandrud. Pub. 1981, reprinted 1994. 728 pp., index. Hard cover. ISBN 0-89308-209-0 AL 11 \$45.00

The major papers for which notices can be found are the Huntsville papers, Limestone County newspapers, Northport, Tuscaloosa, Demopolis, Selma, Montgomery and other "Black Belt" county papers.

EARLY SETTLERS OF ALABAMA, WITH NOTES AND GENEALOGIES, Parts 1 & 2. James Edmonds Saunders. Pub. 1899, reprinted 1994. 566 pp., index. Hard cover. ISBN 0-89308-061-6 AL 1 \$40.00

This excellent book on the history of northern Alabama and most especially of Lawrence County is a MUST. This is a pioneer work among genealogical publications on Alabama and its early families. Begun in 1880 as a series of articles by Col. Saunders in the "Moulton Advertiser," a Lawrence County, Alabama newspaper, the material quickly outgrew this format and scope.

The volume is in two parts, part one being "Recollections of the Early Settlers of North Alabama," written by Col. Saunders. This part contains a brief history of Lawrence County, AL and the Tennessee River Valley, sketches of many early families and personalities of the area and their origins as well as Col. Saunders' writings on the Civil War.

Part two, "Notes and Genealogies," was compiled by Mrs. Elizabeth Saunders Blair Stubbs, a granddaughter of Col. Saunders. The genealogies cover not only families in North Alabama but in other areas of the state, and also other states as well, giving much detail and family origins in this country and abroad. Among the families covered are: Banks, Bankhead, Bibb, Billups, Blair, Cantton, Clark, Clay, Coleman, Cox, DuBose, Dudley, Dunn, Elliott, Flint, Foster, Fry, Gholson, Goode, Gray, Harris, Hill Hopkins, Kennedy, Lanier, Ligon, Lowe, Maclin, Manning, Maury, McCarthy, McGehee, Moore, Oliver, O'Neal, Phelan, Poelnitz, Ray, Richardson, Saunders, Shelton, Sherrod, Shorter, Speed, Swoope, Tait, Taliaferro, Thompson, Tillman, Urquhart, Walthall, Watkins, Webb, Weeden, Wells, White, Withers, Yates and Young.

CLARKE COUNTY, ALABAMA, HISTORY OF. John Simpson Graham. Pub. 1923, reprinted 1994. 352 pp. + new full name index and illustrations. Hard Cover. ISBN 0-89308-693-2 AL 24 \$35.00

Clarke County is located between the Alabama and Tombigbee Rivers and was initially carved from Washington County in 1812. When Alabama became a Territory in 1817, Clarke County was substantially enlarged. This history is similar to most county histories done in this time period in that it covers all the unusual topics such as education, newspapers, population, Indian skirmishes, mineral wealth, schools and community leaders. It is especially rich in

The author gives much biography of early families and citizens, namely: Amos, Ashley, Autrey, Bell, Bolling, Burnett, Cary, Crosby, Crosley, Cunningham, Donald, Ehrhridge, Forbes, Gray, Greene, Groce, Hawthorne, Hunter, Jay, Jernigan, Jones, King, Lee, Martin, McCreary, Morrow, Oliver, Perryman, Rabb, Sampey, Shaw, Simpson, Stallworth, Stearns, Straughn, Travis, Warren and Watkins.

Other surnames mentioned profusely throughout the book are those such as: Allen, Betts, Bowles, Boykin, Brantly, Burson, Cook, Copsey, Dean, Farnham, Feagin, Folks, Halstead, Hart, Hodge, Horton, Johnston, Keyser, Manning, McCaskill, Meeks, Mendenhall, Robinson, Roebuck, Slaughter, Starke, Turk, Walls and many others.

PICKENS COUNTY, ALABAMA, HISTORY OF. From its First Settlement in 1817-1856. Nelson F. Smith. Pub. 1856, reprinted 1994. 272 pp., index. Hard Cover. ISBN 0-89308-691-6 AL 25 \$28.50

Pickens County was created by the Alabama Legislature in 1820, the year after Alabama was admitted into the Union. The early settlers, most of whom were from the upper districts of South Carolina, are discussed under the topics of living conditions, crops, mills, election precincts, the villages of the county and county officers. A "General View of Pickens County" includes water courses, towns, geography, agriculture, roads, religion, manufacturers, charter of the inhabitants, minerals and education facilities. Newspapers, climate, early settlers, eminent men and schools are also discussed in this section. Of particular interest are biographical sketches of judges, county court clerks, sheriffs, commissioners, circuit court clerks and representatives of the Legislature.

RESIDENTS OF SOUTHEASTERN MISSISSIPPI TERRITORY
Census, Tax Rolls, Petitions
1764 - 1817
Book 1

Jean Strickland and Patricia Edwards announce the first in a series of books on the Territorial Time Period of Mississippi History - Residents of Southeastern Mississippi Territory.

This book contains census, tax rolls and petitions for the time period 1764 - 1817. It is amazing how many people were here that early. Some came in anticipation of the Revolutionary War and were loyal to the crown. Some were just looking for more and better land. The book contains maps that show where they lived and references to where their land records are located in the American State Papers.

Areas included in this book are Mobile County, Southern Alabama, Washington County, AL, "Old" Baldwin County, AL; Wayne County, MS, Monroe County, AL; Marion County, MS; Clarke County, AL; Greene County, MS; Lawrence County, MS; Hancock County, MS; Jackson County, MS; Pike County, MS and other areas. The petitions are for areas not counties and will contain people from the whole area.

It is felt that this is a vital link in the lives of our ancestors. You may be surprised at how early your ancestors came and who you find in the area.

This book is 234 pages, soft cover, stapled and taped. Indexed by surname. Cost is \$25.00 plus \$1.50 postage. **Residents of Mississippi add 7% sales tax.** Libraries may be billed. Order your copy now! Please send check or money order with book order.

EDITOR'S NOTES

Well, 1995 is here with a bang, or should I say a splash? Although we had more rain in the first 2 weeks of January than we had all of last year, the only adverse effect to me, personally, is grumpiness. I hope you all got through the Holidays without major problems and are ready for a new year of Pilgrim research. With all the new data available on CD-ROM and the networking possibilities through computer on-line services, we should make good progress this year, if everyone will contribute something to share. If your name is not listed, below, send in some data, now.

CONTRIBUTIONS: A big, "Thank you!" to the following for contributing data to this Issue: Connie Pilgrim & Frank Harrison.

NGS CONFERENCE: The National Genealogical Society is holding its annual U.S. Conference in San Diego on May 3-6, 1995. If you want a program and registration brochure, write, "1995 NGS Conference in the States, 4527 17th St. North, Arlington, VA 22207-2399."

RESOLUTIONS FOR GENEALOGISTS: (Southwest NE GS 15:4-1991)

- 1) Talk or write to your older relatives **NOW** while there's still time to get their stories and facts.
- 2) Write at least one genealogical letter per week.
- 3) Plan to attend at least one seminar this year.
- 4) Share your information with others for a round-robin effect.
- 5) Do an Ahnentafel or Pedigree Chart and have it published.
- 6) Clearly mark names and dates on photos in your possession so later generations may correctly identify them.

CIVIL WAR SOLDIERS SYSTEM (CWSS): This is a joint project by the National Park Service, the Federation of Genealogical Societies, the National Archives, the Civil War Trust and the Genealogical Society of Utah, started in 1992. The initial computer data base is from the 5.5 million General Index Cards from the Army Service Records. These cards list the name of each soldier, regiment, rank in, rank out, other spellings and other names that the soldier was known by. The data will be put on CD-ROMs at each Civil War Battlefield, National Archives Branch, NARA Branch and LDS Family Search work station. As of December 1994, the State of MI is complete and IN, MD, OH, TX, UT and IL are being indexed. The States of AZ, KY, WA, GA, and KS are beginning data entry. The other Southern States have been delayed due to the inaccuracy of the consolidated index for the CSA. Cemetery data, photos and other information will be added later. (GENTECH95 Syllabus)

Compact Disc by State Chart

Review this chart to see which CDs have information for the states that you are researching in. The first column on the left lists the states. The other columns to the right of the state list the CDs available for that state. Across the top are the categories. The first row has dates. Where they intersect in the body of the chart is a box which has a CD number in it. This is the CD number for the information that should assist you in your research. You can then refer to the CD Resource Guide to read the details of that CD.

About GENTECH and GENTECH96

GENTECH, Inc. was founded to promote the responsible use of technology in the field of genealogy. Evolving from a casual conversation among some genealogy CIG leaders in the Dallas-Fort Worth area who saw the need to ease "computer fright" among genealogists and to promote genealogical skills among the "hackers," and wanting to put technology vendors, specifically software publishers, in contact with our CIG members for an interchange of ideas, GENTECH held its first conference in 1993. It featured speakers from across the nation and attracted computer-using genealogists from twenty-six states. A pre-conference developers' meeting was also held and the following year the developers' meeting expanded to an entire evening, providing a forum for those who produce software for genealogists. The annual GENTECH Conference has quickly become a major national conference. GENTECH95's theme was "Enhanced Networking," and more than 500 people attended the two-day conference.

The objectives of the Corporation are to create, foster and maintain interest in, and responsible use of, technology in genealogy, and to help genealogists learn to use this technology. GENTECH goes beyond this by also working to influence the publishers of software to provide the best possible products to the genealogical community.

GENTECH96 promises to be bigger and better than ever. Come to Dallas and meet new friends, put faces to those names you've met on-line, and explore new tools to help in your search for that elusive past. At GENTECH96 you will actually talk to the authors of software, discuss where the partnership of family history and technology is going in the future, add your research to the pool of knowledge available on a variety of media, and learn how you can be a better genealogist.

To get on the GENTECH mailing list simply send your address to the addressee(s) shown on the other side of this sheet.
