Dear Cousin Jim,

How are you feeling? I hope this letter finds you back to normal.

Two weeks ago, I wrote Mrs. Rhuie Hollens, 1258 Bald Mountain Rd, Lake Orion MI, 48360, in response to her ad last December in the HERITAGE QUEST Magazine (see copy enclosed). She is researching Myers and Pool in Lauderdale Co, MS. I am enclosing a copy of the data that she sent, because it is part of the same Pool family as my cousin, Bill Trussell. This Pool line is not hers, but is that of Vernon Teaff, 19 Shalomar Cir, Russellville, AR 72801. I wrote Mrs. Hollens and recommended that she write the LCDA&H, before receiving your latest newsletter stating your new policy on queries without SASEs. I will write her and tell her, but she may have already written you. I hope that you have some of the info that she needs.

Jim, I was really impressed with your latest book list. Unfortunately, I am hopelessly behind in buying more books, but I have a problem, I can't tell the old books from the new. Is it possible to put the year published after each book on you next list?

Well by now you have received my 3rd issue of PILGRIMS' PROGRESS. Each issue gets easier to put out. The first took about 3 months, the second about 3 weeks, and the third about a week. I have the forth typed, but will wait for new input and revise before mailing in October. I have lots of "Lessons Learned". It will be very easy to start my next one (DOWNEY DATA or RADFORD RAMBLIN'S) I can use the same filler data on any or all of them. My biggest problem is circulation. I need about 30 subscribers to break even. Since I have only 12 for the PILGRIM publication, I will wait until I get close to 30 before starting my next one. Since both the Downeys and Radfords were and are still in Lauderdale Co, I could use some help building a list of potential subscribers from your files and phone book.

Keep in touch.

Your Cousin,  
*Rod*

Dear Mrs. Hollens,

I just read your Query in an old Issue (Nov/Dec '92) of **HERITAGE QUEST**, concerning Julia Ann Pool b. 26 Jun 1849 \_\_, m. Alexander Myers, and buried in Pine Grove Cem, Lauderdale Co, MS.

As another researcher trying to get data from Lauderdale Co. from many hundreds of miles away, I feel an automatic kinship. My last trip back to that Co. (where my mother and her father were born) was 1977. But since then, my cousin, Jim Dawson, helped set up the Lauderdale Co. Dept. of Archives & History, P.O. Box 5511, Meridian, MS 39302-5511. If you write them, they may be able to help you. They have a newsletter, for a small fee, and produce a large, free list of books of County records, that they have published and offered for sale at reasonable prices.

I have another cousin, William D. Trussell, of Topeka, KS (who moved a few years ago and didn't give me his new address) who was also b. in Lauderdale Co. His great grandfather, J. D. Trussell (1854-1922) m. (in Lauderdale Co.) Lucinda E. Pool b. 10 Oct 1851, daughter of John Daniel Pool, Sr. and \_\_\_\_\_ Edwards, daughter of Jacob Edwards and Adaline Nancy Raspberry (I have 3 more generations of Edwards back to a Revolutionary War soldier.) Somewhere, I have some Census data on the Pools. Could this be your line? Would you like a copy of this data? If so, please send me your Pool data for my file.

I hope to hear from you, soon.

Yours Truly,

Rod Bush

Dear Rod:

Thanks for your letter of 8 July.

I am particularly interested in finding out more about my Myers family. Will write to Lauderdale, Ms.

Enclosed are some Pool sheets sent to me as results of the Query in the nov./Dec. Heritage Quest. I do not have any <sup>use</sup> ~~see~~ for them. Perhaps they can help you in some way.

Sincerely,

*Rhuie Hollens*

GABRIEL POOL

31 August 1812--2 May 1905

Had lived to be 92 years of age with many descendents. Cameron, Texas. May 8- (8 May 1905) GABRIEL POOL 92, died at his home last night in Corinth community, about twelve miles west of here. Had he lived till the 31st of August he would have been 93 years old. He was born in Edgefield. S.C. August 31, 1812, and at the age of 8 years he moved to Perry Co. Alabama on the 3rd of July 1834 he was married to Miss Alpha Russell, who was five years his junior, and she survives him. In 1870 he moved to Texas and has since been a citizen of Milam County. There were twelve children born to this couple, six boys and six girls, eight of whom survive their father. The oldest child is more than 67 years old. Deceased left surviving him forty-one grand children, sixty three great grand children and two great great grand children, a total of 114. There have been of his family, including his children and their children, only seven deaths among the adults and seventeen infants in seventy years. Mr Pool has been a consistent member of the Methodist Church and universally regarded as a good man by all who knew him. He was also a Mason and a number of that order left here this morning to participate in the burial of one of their brethren. The funeral was conducted at Corinth Church and burial at that cemetery. A large concourse of people attended many going from Cameron. Perhaps he and his wife lived together longer than any other couple in Texas, and his leaving his aged companion is one of the sad features of death of the good old man. (died May 2 1905 buried Corinth cemetery) (copied from newspaper clipping)

GABRIEL POOL was born in South Carolina Aug. 31, 1812, and with his parents he moved to Perry County, Alabama, in 1824, at which place on July 3, 1834, he was married to Miss Alpha Russell, and at old Mt. Hermon Church in 1839 he was converted and joined the M. E. Church, of which he was an exemplary member to the day of his death. In 1870 he came to Texas, arriving in Milam County Dec. 24. Here he lived until God called him home to heaven May 2, 1905. He served the Church faithfully as steward, trustee and Sunday-school Superintendent; in fact, doing anything the Church called upon him to do. He was the father of twelve children., Two died in the faith after they were grown. The remaining ten are all Christians-- nine Methodists and one Baptist. The companion of his life still remains, and though 88 years old Aug. 1, she is strong in body, mind and faith. Bro. Pool was a Christian man in the strictest sense of the word. It was a blessing to me as his pastor to visit him. May God bless and keep his aged wife. H.G.WILLIAMS, P.C. (newspaper clipping)
