William Green Skelton

Notes

According to his military pension records, he had 2 sons and 7 daughters. I counted 10 children between Victoria Ezell and Nancy Bynum. I wonder if anyone is listed incorrectly?? Maybe Delilah died as an infant as the birth date record is 1880. The Obituary shows 7 daughter still alive but only 1 son W.D. That means that the afflicted son, Jeremiah, had passed away between 1895 and 1929.

Ron Thompson has sent me a Clarke county census showing for 1900 he was living in Clarke Co with his wife Mariah Harwell, a daughter and his handicapped son Jeremiah. (Probably these children are step children as the ages indicate that they were born before they married.) His daughter Dora Pickard and 2 of her children (Martha L. & James ?) were living there also.

I have a copy of a pension document dated Sept. 1903 when he was widowed living with his son-in-law, Ethan A. Anderson in Stinson, MS.

In his pension record dated Sept. 1895, he was living in Enterprise, MS and married. It also shows him having a son under the age of 21 that was living with a D. Molpus in 1895..(Need to find out who D. Molpus was...) If this was Jeremiah, he was probably a stepson. Wm. Green loved all his children whether or not they were his blood children or not.

In pension record July 1914, he is widowed and living with his son-in-law Albert Johnson (Minnie's husband)

In the July 1916 pension record, he is married & living with son-in-law, E.A. Anderson

In Sept. 1920 pension record he is married age 83 living in Meridian, RD 1, Box 53 with his daughter, Mrs. Anderson. (Ethan Allen Anderson)

In Sept. 1923 pension record, he is still in Meridian, MS Rt. 1, no other info.

He lived in the old Confederate Soldiers Home in Biloxi, MS for 2 or 3 yrs. off and on but couldn't take the dampness off the water. (About the period of 1920.)

He died in 1929 and is buried in Oak Grove Cemetery, " Bonita",Lauderdale Co. MS. When he died, he still had 7 daughters, 1 son, 1 stepson & 1 step-daughter living.

His parents, uncles, aunts & cousins are buried in Mantee, MS "Mount Pleasant" Cemetery and its well maintained. (Webster Co.) There was a very old church standing there over 130 yrs old next to the cemetery until the 1980's when the area was hit by a tornado & it had to be torn down. A new church was built and we took pictures of it when Tom and I visited there in April 1994.

His father died when he was only 11 yrs. old.

He was living with a family in Chickasaw Co. in the MS 1850 census by the name of PEAY. which may have been his mother's family name since her name was unknown in our records. (this according to Ron Thompson)

He has many Skelton relatives still living in Mantee, MS

He had several wife's:

#1. Victoria Ezell Married Aug. 13, 1859. Daughter of James Hardy Ezell & Elizabeth Watkins. James H. was born 1807 & his wife born 1815 in NC Her parents are both buried in Oak Grove Cemetery in Clarke Co. MS. Wm. Green and Victoria had 4 children. Since he was very active in the Civil War there is a gap in the birth of his children.

a. Lura C. Sept. 27, 1866. She married 1st to Mr. Read and 2nd to Geo. Wannamaker. Lura died Apr. 12, 1951 and is buried in New Hope Baptist cemetery on Hwy. 45 South.

b. Etna Octavia, born Dec. 10, 1868. Married Ethan Allen Anderson on Dec. 5, 1889. She died on Dec. 6, 1960 and is buried in New Hope.

c. Harriet Dora, born may 5, 1871. Married to Wm. Clarke. She died on April 5, 1960 and is buried in Oak Grove in Bonita. She first was married

& then widowed to a Pickard and had 1 son and 1 daughter

from this
marriage.

d. Barbara "Alice" born June 30, 1860 who is buried in Meridian and died in Mo. She is one of the daughters in his obituary notice in the Meridian Star. She married Hanan Taylor and had several children. I don't know what happened to him but she was staying with her daughter in St. Louis when she died. She was brought back to Magnolia Cemetery and buried with her daughter and son in law.

Wm. Green and Victoria were divorced between 1872 and 1874. She remarried a Mr. Morrison.

#2. Nancy McGaw who had two children already.

Wm. Harvey McGaw 1/21/1869 died Aug. 19, 1958 buried in Stinson Cemetery (On her marriage bond with WM. Green Skelton, it shows her name spelled as McGaugh. Wm. "Harvey" married Medie Taylor.
Anne J. born on Dec. 4, 1870 died Apr. 17, 1965 (Married J.E. Whitehead)

Wm. Green and Nancy had these children

a. Minnie G. born Sept. 3, 1875 married 1st Albert Johnson on Nov. 17, 1899 then a Mr. Thompson. She is buried in Oak Grove. She was a minister of the gospel.

b. Wm. Dozier born Mar. 3, 1878. Married Mary Eugenia Anderson on Nov. 25, 1900. He died on Sept. 6, 1950 and is buried in Hamrick in Collinsville.

c. Delilah born Feb. 1880. Nothing is known of her.

d. Bessie Skelton married a Langdon & had a son Willie. Bessie and Delilah were sisters according to Clyde Anderson notes to his grandson,

Ron. Bessie's parents must have been Wm. G. and Nancy McGaw. They lived in Kemper Co. MS. Bessie was living in Little Rock, AK when her father died according to his obituary.

Wm. Green married 3 more times:

Mrs. M.J. Harmon on Aug. 26, 1889: this was later withdrawn and went on to marry Mariah Harwell on Nov. 10, 1889 and Ida F. Harwell on May 15, 1903 .

According to my conversation with Ron Thompson on Nov. 28th, 1995, he has a census for Clarke Co., MS dated 1900 showing Wm. Green living with Mariah Harwell as his wife with the following in the household" Married 4 yrs which would be about 1896. which conflicts with the marriage copy in my file which shows 1889,

CLARKE CO., MS CENSUS 1900

SHOWS WM. GREEN SKELTON WITH;

1. Mariah H. (wife) born March 1848 Children born 3, 2 still living.
2. Mary E. age 16 (born approx. 1884) ?Daughter
3. Jeremiah S. born Aug. 1887 ? Son per census page
4. Dora Pickard born May 5, 1871 & Died Apr. 5, 1960
(Her 1st husband was Pickard and the 2nd was Billy Clarke.
5. Martha Pickard b. Feb. 1893 Granddaughter
6. James Pickard b. Oct. 1892 Grandson

Ron has this census page and will send me a copy per T. 11/28/95 I now have the copy plus one I made in Oct. 1996 while on vacation.

In the census records of 1880, Wm.G. was living in Sumner Co., MS per Ron Thompson.
