

A people,
who take no pride
in the noble
achievements of
their ancestors,
will never achieve
anything worthy
to be remembered
by remote
descendants.

When Minnie Stewart died in 1904, the three children were separated and "farmed" out to other households. I have found no census records establishing the location of Robert Alvin or Claude. My Dad told me he was raised with an Alexander family on a farm, which later become the County Home Farm. He was told that Robert died in the service, being buried in the Dayton, Ohio, National Cemetery. There are no records of Robert Alvin being buried there.

Sadie Mae is listed in the Frank Potts household in the 1910 census along with 2 step-children of the Potts family. Frank Potts' wife, Susan Chitty, and Frank Weir's wife, Tabitha Chitty, were sisters, having grown up in Toomsaba, Ms. The 1910 census list the two families as neighbors. So Sadie and Willie Dayton Weir were living next door to each other in 1910. Sadie told me they grew up together.

Claude Henry Stewart Entered U. S. Army 10-13-1916 at Jackson Barracks, La. Discharged 2-9-1920. Re-enlisted 2-10-1920 at Fort Bragg, N.C.. Discharged 2-9-1921.
