WHEN JIM SHORT STARTED ON FAMILY TREE DATA AFTER MARGARET HAD LOST HER BATTLE WITH LYMPHOMA, JIM SHORT PRESENTED 1987 DIANNE WITH A 'OUR FAMILY TREE' ALBUM FOR HER TO FILL IN THE BLANKS. DIANNE TURNED THE TABLES AND SAID "I WANT YOU TO DO THIS FOR ME AND DO IT IN YOUR HANDWRITING" I CONFESS THAT I TRIED BUT I HAVE NOT DONE TO GOOD OF A JOB WRITING IN MY OWN HANDWRITING. JIM WITH THE HELP OF BEN SHORT A 2nd COUSIN BEGAN USING A COMPUTER AND HAS RECORDED A WHOLE LOT MORE THAN HE SETOUT TO DO. DIANNE'S MOTHER HAD POSSESSION OF A SMALL BIBLE WHERE DIANNE'S GRANDMOTHER FLORENCE AMELIA LYTLE ZIMMER HAD KEPT NEWSPAPER ACCOUNTS OF KIN AND WITH THE HELP OF 'ANDY'S STOCKTON OF MERIDIAN MS IN ANSWER TO A QUESTION BY JIM SHORT ON GOLF COURSE 'ANDY DO YOU HAVE ANY KIN FOLK IN YOUR PAST BY THE NAME OF JOHN STOCKTON? ANDY REPLIED , I SURE DO. FROM THE BIBLE AND FROM THE SOURCE THAT ANDY'S FATHER AND SISTER HAD UNCOVERED WE WERE ABLE TO RUN DIANNE'S MOTHER'S FAMILY TO BOOK PREPARED BY A 'RILEY' TITLED 'THE LIFE AND TIMES OF CARDINAL GIBBONS' DIANNE'S MOTHER JENNY EXPRESSED SURPRISED AND INQUIRED AS TO WHERE DID YOU GET THAT INFORMATION FROM. JIM'S REPLY WAS 'FROM THE GOLF COURSE'. i.e. SEEK AND YOU SHALL FIND OR ASK AND IT SHALL BE OPENED.

WHEN DIANNE AND DICK WERE CALLED TO COVENANT PRESBYTERIAN CHURCH, AUGUSTA GEORGIA FROM NEW COVENANT PRESBYTERIAN CHURCH, JAMES ALDRIDGE SHORT POINTED OUT TO DICK THAT THE 'ALDRIDGE' FAMILY WAS LOCATED IN 1785 BY A LAND GRANT BY GOVERNOR SAMUEL ELBERT 350 ACRES RICHMOND COUNTY GEORGIA. ALSO THE RESEARCH ON THE ALDRIDGE FAMILY CONNECTS IT TO KIOKEE BAPTIST CHURCH WHERE REUBEN ALDRIDGE WAS BAPTIZED BY ABRAM MARSHALL 'THAT DEVOTED SERVANT OF GOD' FEB 1804. AT APPLING. DICK MENTIONED THIS TO COVENANT PRESBYTERIAN CHURCH ON HIS FIRST INSTANCE AND THE FACT WARMLY ACCEPTED.

IN 1990 JIM DECIDED TO TAKE EL CHEAPO FLIGHT TO MAINE TO CHECK ON HIS GOULD ANCESTORS AS HE HAD IN HIS POSSESSION A COPY OF HIS AUNTS FANNIE LOU MITCHELL'S QUESTIONS POSED TO HER MOTHER LORA REBECCA GOULD SHORT AS TO WHO HER ANCESTORS WERE. THE GOULDS WERE FROM DIXMONT MAINE AND LORA REBECCA SAID HER FATHER WAS BRAINARD ELISHA GOULD AND HIS FATHER AND MOTHER WAS ELISHA AND REBECCA A. GOULD. BRAINARD E GOULD WAS MARRIED TO A SARA LOUISE (LOU) DAVIS OF SAVANNAH GEORGIA. AND MAYBE KNOXVILLE GEORGIA. KNOWING THIS INFO JIM CONTACTED A PERSON RECOMMENDED BY THE MAINE ARCHIVES AND FINDING VERIFIED INFO CONCERNING ELISHA GOULD FROM CEMETERY PRINTED RECORDS MADE A VISIT TO THE MAINE ARCHIVES IN AUGUSTA MAINE AND TAKING COPIES OF ADDITIONAL RECORDS DECIDED TO DRIVE TO DIXMONT FROM AUGUSTA AND IN DOING SO FOUND THE ACTUAL CEMETERY WHERE ELISHA AND REBECCA A GOULD WERE BURIED WITH LARGE TOMSTONES MARKING BURIAL SITES. SOME STONES WERE BROKEN AND ON LAYING FLAT ON GROUND. BEFORE IT GOT TO DARK A VISUAL INVENTORY OF OTHER STONES IN THE 'LUCE' CEMETERY NOTE WAS MADE OF MITCHELL-WHITE-AND ALDEN BEING BURIED IN THIS CEMETERY. THE NEXT DAY AT THE ARCHIVES WE WERE TOLD THAT IT WAS CLOSED FROM 11:30 TO 1:00. THE STATE LIBRARY WAS IN THE SAME BUILDING SO JIM DECIDED TO CHECK TO SEE WHAT THE LIBRARY HAD ON GOULD'S. IN 1850 THERE WERE OVER 300 FAMILIES OF GOULD'S. NOT FINDING ANYTHING OF INTEREST DECIDED TO CHECK OUT THE "ALDEN" NAME, FINDING THREE BOOKS ONE QUITE LARGE AND TWO SMALLER ONES DECIDED TO LOOK THRU THE LARGE ONE FIRST BUT NOT FINDING ANY DIXMONT ALDEN'S DECIDED TO BROWSE THRU THE SMALL ONES AND WHEN HE OPENED UP THE FIRST ONE IT OPENED TO THE MIDDLE WHERE SOME SUPPLEMENT PAGES WERE INSERTED. ON THE FIRST PAGE OF THE SUPPLEMENT WAS THE FAMILY OF ELIHU ALDEN BY Rebecca W. Gould. YES HAPPINESS IS FINDING FAMILY ROOTS. WHEN I RETURNED BACK TO MOTEL I HAD A MESSAGE TO CALL HOME(DICK). WHEN I DID CALL HOME JENNIFER ANSWERED AND WE CHATTED A WHILE AND SHE DIDNT KNOW WHY I WAS CALLED AND IN THE COURSE OF THE CONVERSATION I WAS ASKED WHAT I WAS ABOUT AND SHE WAS TOLD THAT I HAD JUST DISCOVERED THAT SHE WAS A DESCENDANT OF JOHN AND PRISCILLA ALDEN, SHE ENQUIRED AM I SUPPOSED TO KNOW THEM?? ALL THIS PROVES IS THAT DIFFERENT GENERATIONS FOCUS ON DIFFERENT IDEAS AND VALUES. DICK AND CHILDREN OF DICK AND DIANNE JENNIFER, TRACEY, AND BRANDON ARE ALL LIFE MEMBERS OF JOHN ALDEN DESCENDENTS SOCIETY. DICK BELONGS TO THE MAYFLOWER DESCENDANTS SOCIETY AND OF COURSE THE CHILDREN CAN JOIN THAT SOCIETY LATER OFF IF THEY SO DESIRE.

July 8, 1999

Dear Uncle Jim,

I have enclosed an invitation that is short and sweet along with your KIN letter. Let me know what you think.

Here is my version of the letter:

Dear "SHORT KIN":

I am aware that this is *short notice* but please try and come to the gathering of "THE SHORT FAMILY." This will be a good chance for us to get to know one another and maybe make plans to do this again. The invitation list is attached...so the next time it can be planned further in advance. As far as I know "THE SHORT FAMILY" has never had such an event!

We are to meet at James Elisha Short's Jr.'s home around 11:00 A.M. on August 14, 1999. His gracious daughter has extended her home as well if it gets too crowded (hopefully this will be the case). The Camden Inn & Suites is available if you would like to spend a night or two (their number is 770-982-5250).

Also David Brandon Short will be celebrating his graduation from Georgia Tech the day before. (CONGRATULATIONS DAVID)!

### **A short story of "THE SHORT FAMILY"**

The first SHORT we know of is Marcum Short born about 1756 probably Martin County NC. His son William was born in 1778 and died Nov. 1849. William's son Marcum Short born in Martin County NC lived in Greene County when he married Mary Lowe...Marcum, Mary and dad William moved to Hardeman County Tennessee before the treaty with the Indians at Noxapater, Mississippi known as the Dancing Rabbit Creek Treaty...September 27, 1830...Noxubee County was created on December 23, 1833...then the family moved to Pickens County, Alabama in the vicinity of Nashville Landing & Ferry on the Tombigee River. When the white folks were allowed in Mississippi after the treaty, the family migrated west to Cliftonville and Brooksville, in the meantime Marcum goes to Bladon Springs, Alabama and established a wood yard to furnish wood for the steamboats going up and down the Tombigee River. Marcum contracted typhoid fever and died in Mobile, Alabama in 1861, Hardeman County, Tennessee and the other children remain in the Nashville Landing area...James Henry Short born 1858 becomes the family leader because he was the eldest son...he enrolled at Mississippi State University in the Preparatory Division for three years when MSU was first opened. The SHORT FAMILY, as most of us know, descend from him. James Henry Short married Lora Rebecca Gould whose father was Brainard Elisha Gould from Dixmont, Maine. Brainard's mother was Rebecca Weston Alden who was married to Elisha Gould of Dixmont, Maine.

Looking forward to seeing all of you.

From one "SHORT KIN" to another "SHORT KIN",

# BROTHER-SISTER TEAM REACH HIGH POSTS IN U. S. NAVY

A brother and sister team make the headlines at the same time. Both are former residents of Meridian and were graduated from the Meridian schools. They are Rear Admiral Wallace B. Short and Lt. Colonel Augusta Short, son and daughter of Mrs. Minnie Short of this city and the late Ben Short.

REAR ADMIRAL W. B. SHORT

Both are former residents of Meridian and were graduated from the Meridian schools. They are Rear Admiral Wallace B. Short and Lt. Colonel Augusta Short, son and daughter of Mrs. Minnie Short of this city and the late Ben Short.

Rear Admiral Short, a graduate of the U. S. Naval Academy at Annapolis under an appointment of the late Congressman Webb A. Venable of Meridian, was recently promoted to the rank of Rear Admiral. Following his graduation in 1924, he attended post graduate school and Rensselaer Polytechnic Institute where he received the degree of master civil engineer in 1929. He served in various public works duties until 1940 when he was placed in charge of construction of Naval Ammunitions depots in Crane, Ind., and Hastings, Neb. To South Pacific

After a brief tour of duty in the Bureau of Yards and Docks he was sent to Manus in 1944 in charge of the 4th Seabee Brigade, later he was sent to Okinawa; during that assignment he held the rank of commodore. He served at Pearl Harbor as district public works officer and in 1952 was ordered to Charleston, S. C. as sixth Naval District Civil Engineer and served as commander of the construction Battalions in the Atlantic ocean area.

In addition to the various theatre, occupation and Victory medals Rear Admiral Short holds the secretary's commendation ribbon for his work in constructing ammunition depots and the Legion of Merit for his work as commanding officer of the Seabee brigade at Okinawa.

Rear Admiral Short is married to the former Miss Dorethea McKie of San Diego, Calif. They have two sons, Benjamin Francis Short who will be graduated from the U. S. Naval Academy this year and Wallace B. Short, Jr., in grade school.

On Duty In Spain  
Admiral Short is now stationed in Spain where he was assigned shortly after his latest promotion. An interesting fact connected

with his high school days is that Major General Robert E. Hogaboom, USMC, was a member of the same graduation class, that of 1919.

The army record of his sister, Lt. Col. Short is quite as exciting. She retired from the U. S. Army Nurses Corps in 1954 after 28 years of service. Col. Short received her training from Meridian High school, Mississippi Woman's college, Hattiesburg; George Washington University, Washington, D. C., and the Army School of Nursing in Washington.

As an Army nurse she served at the Walter Reed Army hospital, Washington; Fitzsimmons Army hospital, Denver; William Beaumont hospital, El Paso; in Army hospitals in the Philippines; Ft. Totten, N. Y., Ft. Jay, New York; Schofield Barracks, Hawaii; Ft. Thomas, Ky.; Panama; Foster General, Jackson; Eighth Service Command, Dallas and Fourth Army at Ft. Sam Houston, Tex. She is now making her home in San Antonio.

LT. COL. AUGUSTA SHORT

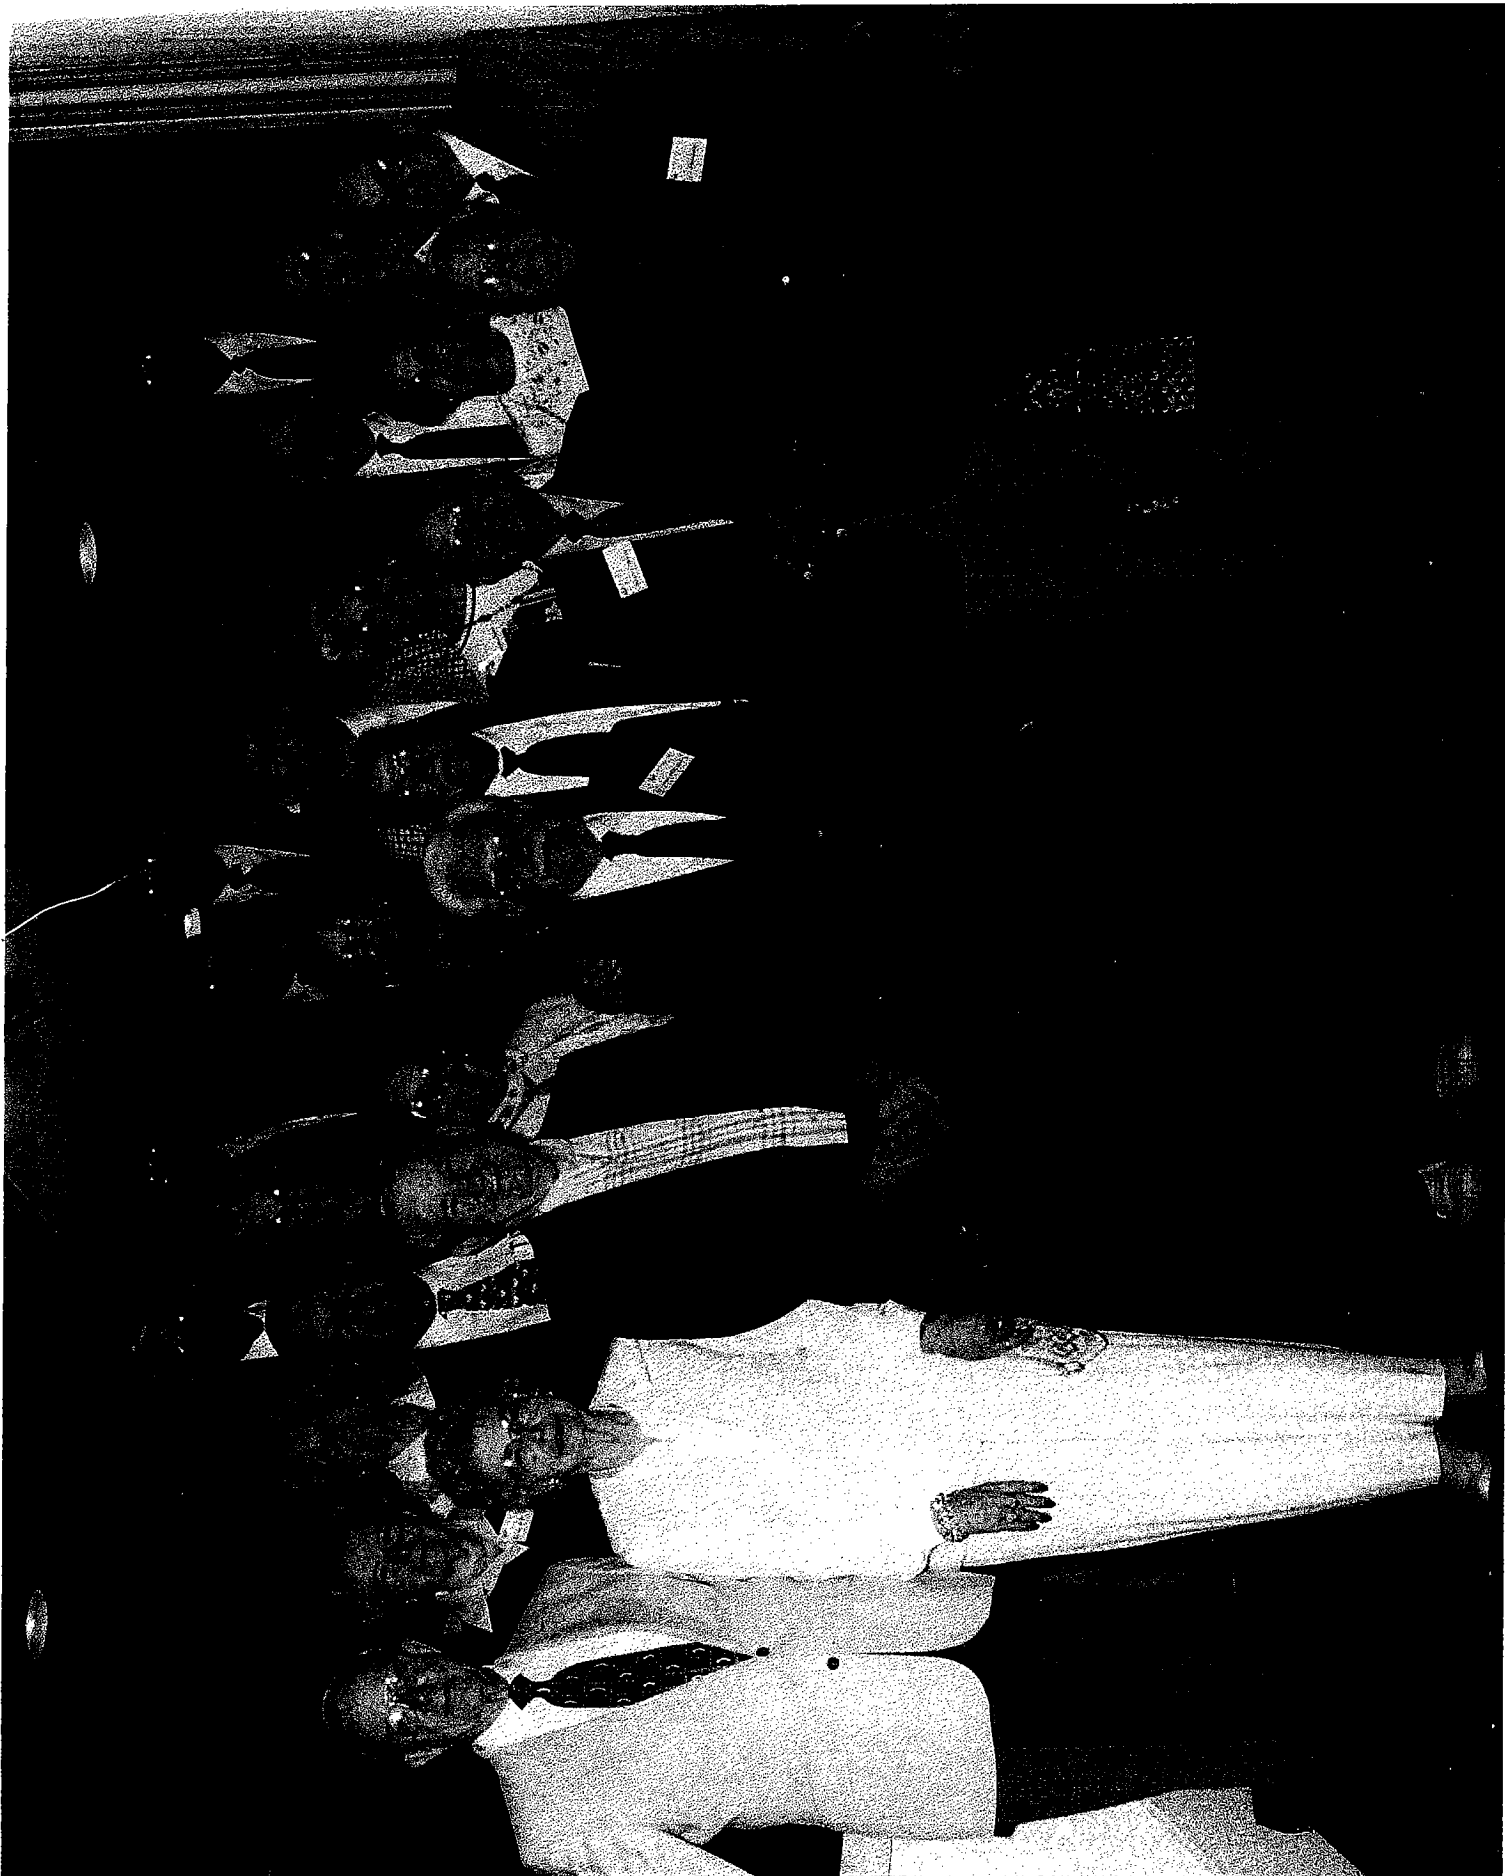

SHE KNOWS MacARTHUR. Maj. Augusta L. Short, chief principal nurse at Foster General Hospital, a native of Meridian, watches the battle for the Philippines with deep interest. She served in the Philippines before the war, knows Gen. Douglas MacArthur, and has friends who are prisoners of the Japs. Headlines about the Philippines decorate her room. Her brother, Capt. W. B. Short, of the U. S. Navy, who is in the Pacific, was also born Meridian. While living there he received his appointment to Annapolis. (Photo by Public Relations Office, FGEH)

**Notes for John Alden:, Pilgrim:**

HON. JOHN ALDEN, ancestor of most persons bearing the name ALDEN in this country, was one of the PLYMOUTH PILGRIMS, and the last male survivor of those who came in the MAYFLOWER in 1620. He was not of Leyden Church, but, as Bradford in his "HISTORY OF PLYMOUTH PLANTATION" informs us, "was hired for a cooper at SOUTHAMPTON, ENGLAND, Where the ship victualed;" and being a hopefully young man was much desired, but left to his own liking to go or stay when he came here; but stayed and married here."

Undoubtly he was of early English stock. The name was well known at the time of the NORMAN invasion in 1066. In Doomsday Book, the record of the census ordered by the CONQUEROR in 1086, the names Alden, Allden, Aldene and Aldenus, appear in nearly all the counties that felt most impress of the Danish invaders in the ninth century. Many of them are written as "tennants in capite", that is, as holding land as directly from the King, and many more as having been land-owners in the time of Edward, the Confessor, or succeeding years.

He lived in Plymouth until his removal to Duxbury in 1627 to the farm at "Eagle Tree Point" about eight miles distant from Plymouth.

When Miles Standish wife died John Alden when he went ask Priscilla if she would consider marriage to Miles Standish..Priscilla apparently liked John Alden the best and is said to have said in a tremulous voice "WHY DON'T YOU SPEAK FOR YOURSELF, JOHN?"

**Notes for Priscilla Mullins:**

!Priscilla Molines\* or Mullens dau of William Molines survived the first winter that the Pilgrims arrived but her parents did not, nor did her brothers and servant. It is supposed that the Molines were French Huguenots. Mr Molines left a will and it was proved in Dorking Co., Surrey England. He left a married daughter in England..Sara Blunder, also his son William was to have his fathers share if he following him to America..his son did come later and received his fathers grant of land in 1633 from Plymouth to the first born of "the old servants."

**Notes for William Mullins:**

!WILLIAM MULLINS, A 1620 MAYFLOWER passenger came from DORKING, County SURREY, and brought his wife Alice, his children Joseph and Priscilla, his servant Robert Carter, with him. His will shows that William died 21 Feb 1621. His will shows that he left a son William and a married daughter Sarah(Mullins) Blunden, in England. George Bowman listed "The Estates of William Mullens and his daughter Sarah (Mullins)(Gannett)(Savill)Faxon and of her three husbands" shows that William Mullins(Jr) came to Plymouth Colony sometime after his father's death. From the probate documents it appears that granddaughter Sarah left no descendants, and the only proven Mullins descendants living today are via daughter Priscilla, who married John Alden.

George died 22 Jan 1679 in Duxbury, Ma. Mary died Dec 1676 in Duxbury, Ma.

**Notes for George Soule:,Pilgrim:**

GEORGE SOULE, born in England probably between 1593 and 1600, died in DUXBURY before 22 Jan 1679 when his inventory was taken by EDWARD SOUTHWORTH and THOMAS DELANO. The tentative dates for his birth are based on his signing of the

MAYFLOWER COMPACT in 1620 and his death in 1679. As a signer of the Compact he must have been twenty, the known age of Gilbert Winslow. Since a life span of eighty-five was rare in those days he was born not much earlier than 1593.

His wife was probably Mary Bucket (?Beckett) who arrived aboard ANNE 31 July 1623. They were married abt 1626.

GEORGE SOULE joined in London a company of adventurers off to the New World. His status is clearly established as a "servant" to relatively wealthy EDWARD WINSLOW, PILGRIM who was a signer also of the famed MAYFLOWER COMPACT 11 NOV 1620.

Unlike some of his colleagues, he never returned to his homeland. However, suffice to say that he became a relatively well-to-do leader, business man and office holder in the PLYMOUTH COLONY. As early as July 1627 was one of a group of fifty-eight 'PUCHASER or OLD COMERS' who assumed PLYMOUTH COLONY'S debt to 'The Adventurers', the promotors and capitalists who financed the voyage of the Mayflower.

#### Notes for Susanna Gowen:

John and Susannah had children as follows:

4. Susanna Gowen b 30 May 1774 m Samuel Gould 8 Aug 1793
5. Sarah Gowen b 10 April 1776
6. Molly Gowen b 22 November 1780

\*the records clearly show that Leonicy Emery, widow of John Gowen, did in fact marry Samuel Gould, Jr 12 Jul 1806.

The records do not clearly show that this same Samuel Gould married John Gowen's sister Susanna. As of April 1995 the available information leads to the determination that Susanna was this Samuel Gould (Goold)'s first wife.

Perhaps someone may be able to prove this with better info that I have been able to determine.

UPON RETURNING FROM MAINE I HAVE BEEN TRYING TO REARRANGE MY FAMILY TREE SO I COULD INCLUDE THE FAMILY OF JOHN AND PRICILLA ALDEN OF MAY FLOWER FAME WHICH CAME TO LIGHT WHEN MY SEARCH FOR BRAINARD ELISHA GOULD PARENTS REVEALED THAT HIS MOTHER WAS REBECCA WESTON ALDEN WHO WAS MARRIED TO ELISHA GOULD.

IT WAS WHILE I WAS WALKING AND LOOKING AT THE GRAVE SITES IN 'LUCE' CEMETERY IN DIXMONT MAINE THAT I FOUND OUT THAT NEXT TO THE 'GOULD PLOT' WAS A 'ALDEN PLOT'.

AFTER THIS DISCOVERY I PROCEEDED TO BROWSE THROUGH THE ALDEN'S BOOKS IN THE MAINE STATE LIBRARY AND FOUND IN A BOOK BY EBENEZER ALDEN M D WRITTEN 1867 ON PAGE 165 THAT THE EIGHTH CHILD OF ELIHU ALDEN WAS REBECCA WESTON B 1812.

signed by Mrs Rebecca W. Gould.

THIS MADE BRAINARD ELISHA GOULD A 7th GENERATION DESCENDENT OF JOHN AND PRICILLA ALDEN.

HIS DAUGHTERS WERE:

1. LORA REBECCA GOULD m. JAMES HENRY SHORT
2. MARY WAGNER GOULD m. WILLIAM EARLE POWERS
3. EMMA LOUISE GOULD m. JOHN E THAMES
4. NETTIE ANN GOULD m. RALEIGH TUCKER GILMORE

AS FAR AS I KNOW AND HAVE HEARD FROM PRESENT FAMILY KNOWLEDGE NO ONE KNEW OF THEIR ALDEN HERITAGE BEFORE NOW.

THIS THEREFORE WOULD BE SIGNIFICANT AS THIS WOULD BE THE FIRST THANKSGIVING THAT THE DESCENDANTS OF THE ABOVE COULD CELEBRATE WITH A SPECIAL MEANING OF THE KNOWLEDGE THAT THEY COULD TRACE THEIR LINEAGE BACK TO SOMEONE CERTAIN THAT THEY COULD ACTUALLY RELATE TO.

Dear Ms Young:

Thanks ever so much for your very informative letter. I have read it several times and find it very supportive of what I am working on.

Since my focus in Maine has been on GOULD and WESTON families I felt like Rebecca Weston Alden would be Rebecca Ann Weston before I took the trip to Maine in July. I guess you can imagine what went through my mind when I discovered the ALDEN family and the WESTON family being a part of the ALDEN family line.

I have not met Mr Richard Martin as yet, but did meet a Louis Smith that had a auto repair shop across the street from the Methodist Church. Mr Smith gave me Mr Martin's name as they play golf together. I called Mr Martin after I got home and then wrote to him explaining the condition of the tombstones and what he thought could be done to repair the damaged stones.

It seemed that the timing of my letter meshed real good with your trip to inspect the work that Mr Blake Bartlett did for you. Mr Bartlett recommended that we should replace the present marble stones with granite similar to what he did for you. The price quoted would be in the neighbor of \$1500.00 No decision has been made as to what we will do about the stones condition at this time.

I guess my family took their fair skin light hair from the GOULD and SHORT family lines. My grandmother Lora Rebecca Gould who by the way raised me as my mother died when I was three was quite plump most of her life as was her sister Molly. Nettie was quite erect and showed some resemblance to Rebecca Weston Alden, while Emma was sorta in between.

Evidently Brainard Elisha Gould had the say so as to the names of his daughters...Lora was apparently named for his sister who died early..Mary named for the man he worked for (A B Wagner)..Nettie for his 1st cousin ANNETTE, John Byram's sister.

I copied some Probate and Real Estate records from the Bangor Courthouse and am enclosing a copy of the first account of Elisha Gould's estate by the administrators. Brainard Elisha Gould died in 1891 and since he worked for A B Wagner Furniture and Funeral Director, the \$150.00 could have been for the expenses incurred for that purpose.

I have often heard the expression that the CIVIL WAR 1861-65 often pitted bro against brother and it was true in this family as Brainard served in the 8th ALA Infantry CSA and his brother Thomas served Co F 16th Maine volunteers. It seems that Brainard came South because his uncle Lyman a graduate of Bowdoin College Medical School was doing well financially as a school teacher and administrator in Georgia, Alabama, Mississippi, and finally Texas. I have not found his whereabouts in 1860 so have to assume he was not counted in the 1860 census. Brainard was apparently a cabinet maker and of course made coffins.

I learned from you that the name of the Dixmont Cemetery is really LUCE Cemetery and have entered the info that you have shared with me as to birthdays, date of death, and marriage dates into the PAF computer program and printed out some reports that the program is capable of producing. If you care to supply additional info and corrected information I can update the data and send you back what you send.

I did forget to take my camera but did purchase a Fling camera with film in it and took some pictures that were not very good because of the position of the sun. The one of the large ALDEN stone came out real good but the marble stones of the GOULD'S were not very good. I also took the picture of the two ALDEN stones up on the hill which also came out good.

Do you have any info on your fathers uncle by the same name who was the Mayor of Nashville Tenn In 1869?

Sincerely,  
Your 3rd cousin 1 generation removed

# Thanksgiving Day

*The Pilgrims were not the first permanent settlers in the New World. But while earlier settlers had come seeking economic gain, the Pilgrims came because of their religious beliefs. They, too, wanted prosperity, but that was a secondary consideration.*

## The Basic Terminology

*Pilgrims* — originally called “Separatists” because of their desire to separate themselves from the Church of England. They felt the official church needed reform, but that it could not be changed. The Puritans, on the other hand, felt that the existing church could be “purified” from within. The Separatists had, at one time, been Puritans.

Using the term “Pilgrims” to mean the Plymouth settlers is a rather recent practice. During most of the intervening history they were called “Forefathers” or simply “Founders.” A pilgrim is generally defined as anyone who travels to another country.

Some words no longer in use, but commonly used by the Pilgrims were: *forced eggs* — scrambled eggs; *pottage* — stew; *whortleberries* — blueberries; *pipkins* — saucepans; *pompions* — pumpkins; *tares* — weeds; *pottles* — jugs; *sallat* — salad; *vergi* — vinegar.

# Thanksgiving Day

By The Educational Services Department

The Pilgrims, who held this country's first Thanksgiving, had no intention of settling in America when they first left England. They originally settled in Holland, where they lived for twelve years. But the Pilgrims were farmers; they were unable to adjust to the urban lifestyle of the Dutch, so they decided to go elsewhere.

On Dec. 11, 1620, the Pilgrims landed at Plymouth, Mass. Forty-seven of the 102 newcomers perished during the bitter winter months which followed. All but four of the 18 women died. Those Pilgrims who did survive did so only because of Squanto, an Indian who helped them build shelters and gather food. In the spring, Squanto helped the Pilgrims plant their first crops. It was the harvesting of these first crops which the Pilgrims celebrated on that first Thanksgiving.

For many years afterward, Thanksgiving was only sporadically observed.

The first proclamation of a national Thanksgiving Day was made in 1789 by President George Washington. The Pilgrims had been opposed to this idea of having a set day for Thanksgiving. They believed that days of thanksgiving should be spontaneous responses to special, divine blessings.

Thomas Jefferson, also, was against the idea of a nationally proclaimed day of Thanksgiving. He considered it contradictory to the concept of church/state separation. During his two terms as president, he discouraged the notion.

Thanksgiving Day eventually became an established, national holiday largely due to the efforts of Mrs. Sarah Josepha Hale. Mrs. Hale, beginning in 1827, made use of her position as editor of *Ladies' Magazine* to actively campaign for a national Thanksgiving Holiday. Mrs. Hale tirelessly wrote editorials, gave speeches, and lobbied Congressmen. In 1863, her fight was won. President Abraham Lincoln declared that, henceforth, the last Thursday of each November would be a national Thanksgiving Holiday.

President Franklin D. Roosevelt, in 1939, changed the actual day to the third Thursday in November at the request of store owners who wanted a longer time between Thanksgiving and Christmas. It was thought that this would allow more time for Christmas shopping. Public opposition to the change was so great that Congress, in 1941, issued a Congressional Resolution which permanently establishes Thanksgiving Day as the fourth Thursday in November.

## Squanto

*Squanto (1582-1622), a Patuxet Indian, helped the Pilgrims survive. Squanto, whose real name was Tisquantum, was born near where the Pilgrims landed. In 1614, he and 25 other Indians were captured by Englishman Thomas Hunt who sold them as slaves in Spain. Squanto escaped and fled to England where he lived for several years with a rich merchant named John Slanie. There he learned to speak English. In 1619 Squanto returned home, only to find that his village had been wiped out by disease. He lived with a neighboring tribe until the arrival of the Pilgrims. After befriending the Pilgrims, he stayed with them until his death from fever.*

## Related Concerns

The Mayflower Compact was the first document promoting democracy in the New World. The Compact gave everyone, even servants, a voice in the government. The Compact was drawn up and signed by the Pilgrims in an effort to form a government to manage the infant colony.

One of the first written treaties between Indians and white settlers involved the Pilgrims and the Wampanoag Indians. The Indians were angry because the Pilgrims were stealing corn. Squanto arranged the treaty.

William Bradford is considered the "father" of American History because of his in-depth, accurate account of the Pilgrim settlement. His book, *History of Plimmoth Plantation*, took more than 20 years to write. It was not published until 1856. Bradford was the second governor of Plymouth Colony.

The first criminal sentenced to death in the colonies was a Pilgrim named John B. lington. He was hanged for shooting to death a man with whom he had quarreled.
